## **Ride DART's Beach Bus for High Tides and Good Vibes starting Monday, May 24**

Warm weather and sunny skies can only mean one thing; it's beach season, and with that comes the start of DART's Beach Bus! As we get ready to roll out the 2021 summer season, DART's daily [Beach Bus service](#) will be on the road ready to provide a convenient, safe and clean ride to visitors and residents. The routes serve Rehoboth Beach and the Boardwalk, Lewes, Long Neck, Dewey Beach, Bethany Beach, South Bethany Beach, Fenwick Island, Ocean City, MD, Millsboro and Georgetown. On Monday, May 24, buses will start running frequently from early morning to late night, 7 days a week, until September 12. All buses are cleaned daily and hand sanitizer is available onboard the bus for riders. Masks are still required to be worn while riding public transit. In addition, buses are ADA accessible and equipped with bike racks.

John Sisson, DTC's Chief Executive Officer, stated "With some of the restrictions lifted and people flocking to the beach, we're excited to offer a safe and convenient option to get around the beach area, to the boardwalk, shopping, work and destinations late night. Our team is committed to providing transportation that gets riders to their destinations safely and aboard clean buses. In addition to nightly cleanings, we're continuing mid-day bus cleanings at both the Rehoboth and Lewes Park & Rides."

"The return of our beach bus service is welcome news for anyone traveling in eastern Sussex County and is a great alternative to avoid traffic delays during the busy summer season," said Secretary of Transportation Nicole Majeski.
